

The Greene Township Board of Supervisors held its regular meeting on Tuesday, March 10, 2026 at the Greene Township Municipal Building, 1145 Garver Lane, Chambersburg, PA 17202.

Present: Todd Burns, Travis Brookens, and Shawn Corwell, Supervisors; Kurt Williams, Solicitor; Daniel Bachman, Zoning Officer; Gina Griffith, Secretary.

The Chairman called the meeting to order at 7:00 pm and advised that the meeting was being recorded for accuracy purposes.

The minutes of the regular meeting held February 24, 2026 shall stand approved as presented and become part of the official record.

No public was present for comment

The Chairman presented for consideration the advertisement of bids for a micro-surfacing application on various Township roads, including Letterkenny Road West, Orchard Road, Cornertown Road, Sycamore Grove Road, a section of Fox Hill Drive, and New Lane. Additional roads, including Knob Hill Road, Smoketown Road, and Rock Road, may be included if deemed necessary. The Chairman explained that micro-surfacing is a cost-effective alternative to milling and overlay and cold-in-place recycling for roads that are not suitable for full reconstruction. He also noted this treatment may be appropriate for certain developments, such as the Martin development off Route 11, where previous resurfacing has deteriorated due to insufficient base. It was further noted that bidding earlier in the season would improve scheduling and contractor availability. The bid specifications will remain substantially the same as the prior year, with updates to reflect the current road list and measurements. On a motion by Supervisor Corwell, seconded by Supervisor Brookens, and carried unanimously (3-0), the Board authorized the advertisement for and receipt of sealed bids for micro-surfacing on various Township roads. Bids shall be received no later than April 14, 2026, at 3:00 p.m. prevailing time and will be opened at the regularly scheduled Board of Supervisors meeting at 7:00 p.m.

The Zoning Officer (ZO) presented the Monthly Zoning Report for February 2026. The report shall stand approved as presented and become part of the official record.

Supervisor Corwell presented a proposal from GDC for annual IT services for 2026. The Township has used GDC for approximately nine years. The proposed agreement includes support for the Township's newly installed phone system, resulting in an overall increase of approximately \$1,700 from the prior year. The total cost for unlimited IT services is \$20,760.00, with a discounted rate of \$20,421.00 if paid in full. The proposal is otherwise consistent with the prior year's agreement, with no change in hourly rates. It was noted that additional quotes were requested from Kirbtech and Hinton & Associates; however, no proposals were received. On a motion by Supervisor Brookens, seconded by Supervisor Corwell, and carried unanimously (3-0), the Board approved the proposal from GDC for annual IT and phone services for 2026 as presented.

The Solicitor had no comments.

On a motion by Supervisor Brookens, seconded by Supervisor Corwell, and by a vote of 3-0, the Board voted to approve and authorize the payment of invoices as follows: check numbers 1005 through 1033 and four ACH transactions to be paid from the General Fund, and check numbers 1002 and 1003 to be paid from the Electric Light Fund.

The Chairman adjourned the meeting at 7:15 pm.

Respectfully submitted,

Secretary
